SMART CHECKS BUILT IN

| Location check

Orders only from guests actually at the shop.

| One shared QR

Guest picks the table; same phone on the same table joins one bill.

| Languages

Menu readable in Hindi and many world languages.

| Order tracking

My Orders shows each order status, refreshing automatically.

| Service requests

Call a waiter, ask for water or the bill.

| Customer details

Address, phone and location come with delivery orders.

RUN THE WHOLE SHOP FROM ONE SCREEN

Everything the owner and staff need.

Dashboard

Today's orders, sales and live activity.
Empty states, never fake numbers.

Live orders

Accept, prepare, serve, complete.
Same-phone orders join one bill.

Kitchen screen

Accepted orders arrive live; tickets
can print automatically.

Menu photo scan

Photograph a paper menu; dishes
and prices are read for review.

Free photo library

Matching dish and category photos;
your uploads are kept.

Menu manager

Categories, dishes, prices, veg marks
and sold-out switch.

Reservations

90-minute slots with table locks
against double bookings.

Tables and rooms

Bulk tables; rooms and cabins for
hotels.

UPI payments

Exact-amount UPI QR; paid only after
staff confirms.

Reports and PDF

Item, table, category and GST reports
as PDF.

Settings PIN

Four-digit PIN with lockout after
wrong tries.

Your own domain

Connect your domain to your QR
Menu or review page.

DELIVERY-ONLY SERVICE

Home delivery with live tracking.

No tables or rooms. Customers order from your menu, share their location, and follow the rider live on a map.

Distance limit

Set how many km around your shop you deliver to.

Per-km charges

A fixed charge plus a rate per km, calculated automatically.

Delivery partners

Create rider accounts; riders take orders and share live location.

Live map

Owner, customer and admin see the rider on the map with arrival time.

Photo proof

Handover, pickup and delivery photos visible in My Orders.

Cash on delivery

Clear payment labels for home orders.

POS-ONLY SERVICE · 30% LOWER PRICE

Fast counter billing with stock, Khata and voice.

Manual receipts

Tap item cards, change quantity, print.

GST billing

GST on every invoice, with reports for your accountant.

Stock management

Bulk entry; each sale reduces stock and shows out-of-stock.

Voice billing

Speak in Hindi or English to add items and stock.

Khata book

Customer credit with UPI statements and PDF reports.

Pharmacy mode

Medicine names and strengths, no brand guessing.

58mm printing

Bluetooth and USB thermal printers.

Receipt history

Every receipt saved first; reprints never duplicate.

WhatsApp

Order updates, invoices and Khata reminders sent automatically.

MORE GOOGLE REVIEWS, LESS EFFORT

A review page for every customer.

The customer scans your review QR, taps a star, edits a suggestion in their own words and continues to your real Google review page to post it.

Suggestions by star

Ready suggestions appear when a star is tapped, always editable.

Own words

Type or speak a few words; they become a full review to edit.

Branded QR posters

Print-ready review posters and stickers with your logo.

Business website

Logo, photos, address, Call and Directions, social links.

Maps auto-fill

Paste a Maps link to fill available business details.

Review statistics

Page opens, star taps and submissions from saved data.
